Room 14 & 15
Camp 2018

For Camp we went to Marahau it was a 45 minute drive but it felt like 15 minutes. When we got there we unloaded the bus and put the stuff in the hall. After that we put our stuff in the dorms and choose our room's . When it was lunch time we got our lunch boxes and ate, while playing board game's. My favourite part was the 3 and a half hour walk because we got some fresh air and got the water taxi back. Oh yeah and Bawi Cung lost his hat on the boat ride.

Lexi

On camp we were going tramping it was about 3 hours. I was so tired but we went to the beach and went on a speed taxi and had a lot of fun. But the fun doesn't last so long my hat fell off with the speed of the boat and now it is in the sea. When we got back to the camp we ate our lunch, my lunch was noodles, it was yummy We then watched Clash of the Titans it was awesome. My friends and I played basketball. It was student vs teachers, the students won it was 10/7 then we ate afternoon tea and later played spot light. We ate dinner and went right back to play spot light. It was awesome! We then had to go back to our cabin and sleep.

KIA TOA - Be Victorious

Positive Behaviour for Learning School-Wide (PB4L) is a framework that is helping New Zealand schools build a culture where positive behaviour and learning is a way of life. The PB4L framework has been tailored to our school's own environment and cultural needs. At Victory Primary School we have adopted the phrase **Kia Toa** which means **Be Victorious**. The purpose of Victory Primary School's **PB4L/KIA TOA** plan is to nurture a consistent, positive learning environment where relationships are; **respectful, responsible and supportive**.

Our Kia Toa Assemblies are held on even weeks, starting Monday 7th May, at 10.20am.

Our focus for Week 2 & 3 is Rubbish. We are encouraging pupils to look after our school environment & how to reduce, reuse and recycle items appropriately. Lunch rubbish is put back in lunchboxes & we are learning to tidy up after ourselves. We will have a new focus each fortnight.

COMMUNITY NOTICES

Parent's experiences of Yuan Gong Qigong & mindful parenting:

"I spend more time laughing with myself, and with my children. Life can become very much more lighter!!" D.L.

"Family activities together seem to flow much more smoothly both in the planning and doing stage." P.T.

"I provide a good example for the children to follow: I'm proud to see how the positive information I've learned is reflected in my children." G.A.

"Children are amazing teachers and mirrors to how we personally are dealing with life. By transforming my own fears, worries and stress I have been really able to help my own children to do the same." D.B.

"I've learnt, and my kids too, to take it very easy with a difficulty. This helps things move faster to the stage of: 'where do we go from here?' S.P.

"Since I am more honest with my feelings when situation arises, my children tend to do the same and that is very enjoyable for everyone... we are on a path together of being more and more authentic, so we do feel a sense of fullness growing up together as a team, with no one pretending much anymore" S.P.

Mindful Parenting

Feel good
Think clearly
Act wisely
Have fun!

"I have way more energy, are rarely grumpy now and the kids are much happier with their 'new' mum. We have so much more fun together". S.J.
